**Please try to keep the time scheduled for you. If you cannot, please find a substitute. Deadline for dates you are not available is the 15<sup>th</sup> of month as we now are scheduling for 3 months at a time. If you do not call the office with dates you are not available, then it is up to you to find a replacement. No exceptions. It is very difficult to do the schedule when calls are ignored & we have to wait until end of month before we get an answer. Thank you. Your cooperation is greatly appreciated.**
